

Am. Phillips to W.L.G. Nov 17th

Dear friend,

1878

97

Excuse my

keeping this letter

so long. Wendell

had ^{just} ~~was~~ gone when it

came; but he

would like to see it

someday.

I thank you
very much for

yr picture. It is
excellent. We are
also very grateful
for Mr Thompson's.

I am thankful
dear Geo. Thompson,
has been called to
his rest, for he
must have sorely
needed it. It was
very touching his
thinking you were
coming

for it showed what
we always knew how
ardently & tenderly
he loved you.

I have never had
any likeness taken
of myself in any
way, I did not
feel as if I
wished to see one.
I hope you, & all

That you are so
happy as to call
yours, are well -

I heard of you
at our dear John's
funeral. Wendell
stayed to see all
he could of John
while he lived; but
when he was gone, he
felt he had no right
to disappoint

so many to see even
his own brother (2
buried, so he went
the Wednesday eve
before he was
buried.

Sincerely yrs

Ann G. Phillips
